Experience

Frontend React developer

Aymolive

April 2023 – now

Croatia

AymoLive is a live-stream video platform where emerging artists share their work and audiences come to experience independent, unique and uncensored art.

- Development of a user interface using React.
- Utilizing Styled Components for styling React components.
- Integration of GraphQL for creating GraphQL queries and mutations, as well as handling received data and passing it to React components.
- Collaboration with a team of back-end developers and designers.
- Participation in code review.

Education

ITC Bootcamp

September 2022 – February 2023

Almaty, Kazakhstan

An intensive 6-month long coding bootcamp in which I learned to design and build web applications.

- HTML, CSS
- JavaScript, TypeScript
- Bootstrap, TailwindCSS
- React, Redux
